

May 25, 2020

To our valued customers,

With the Ontario government announcing that many businesses can slowly start opening their doors, we at Yantzi's Feed & Seed will be doing the same. As a team, we have been doing everything we can to ensure that the health and safety of our staff and customers is priority as we prepare to re-open our doors. With that being said, to ensure the health and safety of everyone involved, we ask a few things of our customers:

- If you have any symptoms of COVID-19, under **NO** circumstances may you enter the store, but we can offer no-touch curbside pickup;
- Maximum number of people allowed in the store at one time is 3;
- Debit or credit payment is preferred, Cash on essential basis only;
- Practice social distancing by following the floor markings for movement around the store;
- Curbside pickup is still the preferred method of sales.

Yantzi's Feed & Seed wants to continue to provide the service that our customers have come accustomed to. In order to do so, it is important that these guidelines be followed so we can maintain the health and safety for all staff and visitors.

Sincerely,

Management Team
